To: PES Youth Plan Ambassadors

Brussels, 31st May 2017

Dear PES Youth Plan Ambassador,

I would like to warmly thank you for your involvement in the 2nd PES Youth Plan Action Day we organised together on the 19th of May.

Without your enthusiasm and all the hard work this Action Day would not have been so successful!

The 2nd PES Youth Plan Action Day proved again the strength and unity of our political family: **we have had 209 actions in 103 cities all over Europe**, advocating for stronger European instruments and financial support for young people in Europe.

Let's build on this success and maintain the political pressure to make the Youth Plan a reality. We need to secure the funding of the Youth Guarantee, broaden the participation in Erasmus+, as well as introduce the European culture cheque and the Child Guarantee.

We will of course be in touch with you regarding the organisation of the next action day in a few months' time. Until then, keep up the fight and keep us informed of all initiatives in your countries that are relevant to our common Youth Plan campaign.

This great initiative is not over and I count on your lasting involvement. **Let's #Act4Youth together!**

With fraternal regards,

Sergei Stanishev
